Welcome to the 2023 Cam Valley Arts Trail

Do come along and help us celebrate the arts in the Cam Valley by visiting the artists at this year's 11th Arts Trail. This is a fantastic free community event which takes place in venues across the Cam Valley, just north of the Mendips. Over 30 artists will be showcasing and selling their original, handcrafted work.

Come along and meet the artists, view their work and learn about the processes used in creating the work you see. The artwork on display can simply be viewed and enjoyed but can also be bought directly from the artists at very affordable prices. It's a perfect opportunity to buy Christmas presents, so if you feel inspired to buy then please note that venues accept cash but many artists can take card payments.

The event is hosted by the Cam Valley Arts Trail Group; a group of artists set up in 2013 to promote local artists and share the arts in our communities. We do hope you enjoy the amazing selection of artists we have this year.

Venue Information - 2 trails in a trail

As you'll see on the map (centre pages) the Cam Valley sits centrally between Bath, Bristol and Wells just north of the Mendips. Have a look at the map and plan your route.

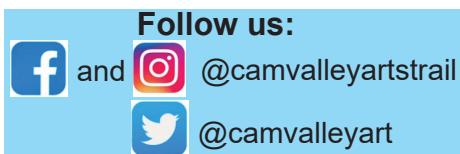

This year as well as our community venues we have a fantastic number of studios opening up as part of the trail. If you'd like to see where our artists create their work then this is the perfect chance to find out. All the studio venues are marked in orange. If you prefer larger community venues then these are shown marked as yellow. Or you can even mix and match to take in both types of venue and range of artists that suit you.

Venue details; address, parking, disabled access and refreshment information, plus whether demonstrations are taking place at a venue can be found on the map and venue pages (pages 8 - 10).

Thanks & more info

Thanks to everyone supporting this trail: the CVAT committee and members, advertisers, sponsors, High Littleton WI, The Somerset Toiletry Co. for being a 'hub', Peas in a Pub for providing some music, and of course our lovely artists and groups taking part this year.

Music

We thought we'd celebrate the trail again this year with some music in our venues. We're delighted that local musicians Tony Osborne and Patrick O'Brien a.k.a. 'Peas in a Pub' will be returning to share their fantastic acoustic sound around the trail during the afternoon of Saturday 4th November. Enjoy the impromptu performances!
